NEW YEAR, NEW ADVENTURES!

GOOD NEWS SPREADS!

Happy New Year! As we start fresh, let's remember that the Good News of Jesus' love is for everyone. This year, let's spread the word and tell **everyone** about the incredible gift of Jesus' love.

MEET ABBEE!

Abbee the bee is our newest bible buddy. She has some good news to spread to everyone!

- We are ready to tell the good news!
- He brings people together!
- He is everywhere!
- We can all use our gifts to tell everyone about Him!

...**Jesus is for everyone!**

REMINDERS

Children begin the service upstairs with their families before going downstairs to Kids Church. We head downstairs as a group, following Pastor Greg's prayer for the children.

Kids Church is designed for ages 4-12. For younger children, we welcome them to join their families in the main service. Their sweet voices, and curious spirits are a blessing to our church family.

A "family area" is set up in the chapel with quiet toys, busy bags, and books to support our families with little ones. Please note that there is no longer a nursery downstairs, but we cannot wait to see more little faces upstairs!

WHAT'S NEW?

YOUTH GROUP

Stay tuned for the launching of a new youth group for teens! Preparations are starting by creating a teen gathering place in the former nursery. Please see Angela Little, Kelly Pothier, or Sarah Ranson for more info.

YOUTH CHOIR

Practises for youth choir are on Saturdays from 4-5pm. Ages 9+. Please see Jasmin the contemporary music leader if you are interested.

KIDS CHURCH IS GROWING!

Exciting growth in our Kids Church Ministry has created a need for a dedicated space for our PreK-K age group. We're developing a plan to use a small classroom for this purpose. If you're interested in helping with this age group (even as little as once a month) please contact Karen Vandebroek.

UPCOMING

- March 9: First Sunday of Lent

Lent is a special time when we prepare our hearts for Easter by saying sorry for our mistakes and trying to be kinder and more loving. It's like a big spiritual spring cleaning to help us become closer to God!

PRAYER

Dear God, thank you for the gift of your love. Please use us to spread Jesus' love and light to everyone. Amen.
